MEMORANDUM FOR: National Foreign Intelligence Community

SUBJECT : Intelligence and Intelligence-Related Activities  
Authorization Act for Fiscal Year 1980

The Office of Management and Budget is now circulating the draft Intelligence Authorization Bill for comment. Your legislative counsels have been asked to expedite the handling of responses. The draft bill does not contain the titles on unauthorized disclosures and the Freedom of Information Act which appeared in the earlier version of the bill that was circulated to you last month. The DCI intends to move ahead with these matters as separate legislative initiatives, and I will be keeping you informed on this as things progress.
